

Invitation Letter

Feb 17, 2016

Dear colleague,

On behalf of the APEnergy2016 Organizing Committee, I would like to invite you to join the **Asia-Pacific Conference on Energy Storage and Conversion (APEnergy2016)**. The conference will be held at the National Tsing Hua University, Hsinchu, Taiwan, from September 4 to September 8, 2016

Based upon the success of the inaugural APEnergy2014 conference in Brisbane, Australia, APEnergy2016 also aims to foster discussion of fundamental & technological challenges and research frontiers in developing next-generation energy storage and conversion technologies. This conference will bring together leading researchers and scholars and company executives from the region and beyond to identify problems and make contacts for collaborations and commercial exploitations.

The homepage of the conference has been set up. For more details about the conference, please feel free to log on the conference website: <http://APEnergy2016.tcfst.org.tw>. If you are interested in attending the conference without publishing a paper, please also create an account in the Secure Area of the website. Your name will be included in the future mailing list.

Sincerely Yours,

Che-Wun Hong, Prof., PhD, ASME Fellow, General Chairman of APEnergy2016
Department of Power Mechanical Engineering, National Tsing Hua University
101, Sec. 2, Kuang Fu Road, Hsinchu 30013, Taiwan
Tel: +886-3-574-2591 Fax: +886-3-572-2840
